

Quran Hifz Online

The Quran Hifz, which refers to the memorization of the Quran, holds immense significance for Muslims worldwide. Traditionally, Quran Hifz has been pursued through in-person classes at local mosques or Islamic schools. However, with the advent of technology, learning Quran Hifz online has become an increasingly popular and accessible option. This article delves into the world of Quran Hifz Online, exploring its benefits, process, tips for effective study, challenges, the role of online Quran teachers, success stories, and why embracing online platforms is shaping the future of Quran Hifz education.

Well-structured Plans in our Quran hifz Online Program!

Hey there! Are you interested in memorizing the Quran? Look no further! BeIN Quran Academy offers an amazing online Hifz course that will make Quran memorization easier and faster for you. We have certified Huffaz who will guide you throughout the program. The best part is that our program is tailored to your goals, needs, and requirements!

Hifz Quran online with a plan become A Quran Hafiz

We understand that everyone learns at their own pace. That's why we create personalized plans for each student. Whether you can memorize a lot in a day or just a little, we will make sure the plan suits you. For example, if you want to memorize Surah Al-Baqarah, we can customize a plan that fits your ability and finish it in 2 to 5 months.

Highly Qualified Arab Huffaz Tutors

Our tutors are amazing! They have years of experience and are certified by Al-Azhar University, one of the top Islamic universities in the world. They have memorized the Quran at a young age and have helped many non-Arab students memorize a big portion of the Quran online. We carefully select and train our teachers to meet your high expectations.

How Do Our Teachers Prioritize Their Student's Values?

Our tutors not only teach, but they also care about your progress. They keep in touch with your parents to let them know how you're doing. After each class, you'll receive a score out of 10 to encourage you and track your progress. Our teachers are supportive and will help you improve your pronunciation and recitation in a melodious tone.

The Smart Strategy for our [Hifz Quran Online](#) Classes!

We have some smart strategies to make your Quran memorization journey successful!

- We use the same copy of the Quran (Mushaf) to make it easier for you.
- We set a daily limit for memorizing the Quran, so you don't feel overwhelmed.
- We encourage continual recitation and revision to reinforce what you've learned.
- We teach you to recite in a melodic tone, making it more enjoyable.

There are many other strategies that you'll discover when you join our Quran hifz Online classes.

Remember, it's important to prepare for class by reading the lesson beforehand. During class, listen, read, and memorize with proper pronunciation. Recite the lesson in front of your tutor and let them correct your mistakes. Set aside 1-2 hours every day to memorize the Quran. Don't forget to revise daily, during your prayers, and after Fajr. Your teacher will help you record your mistakes and correct them. And don't worry, we also have weekly and monthly revision sessions to make sure you remember what you've learned.

Slideshow Presentations With Multimedia

Gone are the days of boring text presentations. We believe in making learning colorful and engaging. That's why we use multimedia elements in our classes. Some examples of these elements include colorful images, short video clips, graphs, gifs, animations, and even sound tracks of Surah recitations. These additions capture your attention and make the lessons more interesting.

Get Your Lessons Recorded!

Watching videos can help you remember things better than just reading. That's why we record our lectures and provide them to you as videos. These videos include whiteboard explanations, classroom activities, and presentations. You can watch them anytime and anywhere. We share the videos with you through platforms like Google Classroom, G Drive, or YouTube. This way, visual learners can learn at their own pace, and teachers can establish a stronger connection with students.
